

AB4WV offers an Opportunity to learn new skills and serve your community in vital ways during a disaster.

The Amateur Radio Club of Westminster Village is offering a 5-week Technician course that prepares participants to sit for the national Amateur Radio Operator test.

The course covers regulations & equipment used as a licensed Technician Radio Operator.

The fees are: a course fee of \$25. And testing fee of \$15. to our club and once you pass the test a \$35 online payment to the Federal Communication Commission (FCC) to apply for your license and get an operator call-sign.

CLASSES BEGIN on May 6th at 6:30 pm in Bayside Club House. Subsequent classes will occur every Friday thereafter. There is a limited number of students that can be accepted.

CONTACT Skip Bollens, if you are interested in participating SEND SKIP AN EMAIL IMMEDIATELY AT: skipbo47@bellsouth.net
